The Anti-Dumping Review Panel (ADRP) has received applications from: **Everhard Industries Pty Ltd** and **Milena Australia Pty Ltd**, seeking review of a decision by the Parliamentary Secretary under subsections 269TG(1), 269TG(2) and 269TJ(2) of the *Customs Act 1901* (the Act) to issue a dumping and countervailing duty notice in respect of the above goods. Please find attached electronic copies of the applications.

The ADRP invites the Anti-Dumping Commission (the Commission) to comment on the applications. These comments will assist the ADRP's consideration of the claims made in the application. It would be of assistance to the ADRP's initial consideration of the applications if the comments would please address the following, as relevant:

2. Identify any factual claims in the application that the Commission disputes, and refer to *relevant information* in that regard.
3. Provide some commentary on the grounds of the application, referring to *relevant information*.
4. If it seems appropriate, any additional background information in relation the matter, including referring to any relevant policy position or guidelines which had an impact on the decision under review.

The Commission is requested to supply a confidential and a non-confidential copy of the comments. The Commission is also requested to provide any comments by 9 June 2015 (20.days) to:
