The Anti-Dumping Review Panel (ADRP) has completed a review of a decision by the former Assistant Minister to alter a dumping duty and countervailing duty notice in relation to Aluminium Road Wheels exported from the People's Republic of China.

The applications for review were made by PILOTDOER WHEELS CO. LTD and ZHEJIANG YUELING CO., LTD. Copies of the applications and submissions made in relation to the applications are available on the ADRP website www.adreviewpanel.gov.au.

The ADRP provided its report and recommendation to the former Assistant Minister on 16 May 2016. Due to special circumstances I consider it appropriate to extend the period for making my decision under section 269ZZM(1A) until **25 August 2016**.
