

**Australian Government**  
**Department of Industry,  
Innovation and Science**

*Customs Act 1901*

Notice under subsection 269ZZM(1B)

**Rod in Coils exported from the Republic of Indonesia and Taiwan**

**Notice of longer period for the decision of the Assistant Minister for Science/Parliamentary  
Secretary to the Minister for Industry, Innovation and Science**

The Anti-Dumping Review Panel (ADRP) has completed a review of a decision by me to publish a dumping duty notice in relation to Rod in Coils exported from the Republic of Indonesia and Taiwan.

The applications for review were made by PT GUNUNG RAJAPAKSI and ONESTEEL MANUFACTURING PTY LTD ('OneSteel'). A copy of the applications and submission made in relation to the applications is available on the ADRP website [www.adreviewpanel.gov.au](http://www.adreviewpanel.gov.au).

The ADRP provided its report and recommendation to me on 22 January 2016. On 11 February 2016 I decided under section 269ZZM(1A) of the *Customs Act 1901* to extend the period for making my decision to 23 March 2016. Due to special circumstances I consider it appropriate to further extend the period for making my decision under s 269ZZM(1A) until **22 April 2016**.

Karen Lesley Andrews  
Assistant Minister for Science and Parliamentary Secretary to the Minister for Industry,  
Innovation and Science  
23 March 2016
