Dear Applicants,

Review Applications – Quenched Steel & Tempered Steel Plate from Japan, Finland & Sweden

The Honourable Michael Moore, Senior Member of the Review Panel has pursuant to section 269ZYA of the Customs Act specified in a written direction that the Review Panel for this review be constituted by Ms Joan Fitzhenry.

One of the applications for review has been lodged by Total Steel of Australia Pty Ltd (Total Steel). The law firm Baker & McKenzie is representing Total Steel. Ms Fitzhenry wishes to advise that she was formerly a partner with Baker & McKenzie, having retired as a partner of that firm in 2011. Ms Fitzhenry also advises that as a retired partner she is in receipt of a pension from Baker & McKenzie International, a Swiss Verein of which the Australian firm is a member.

Ms Fitzhenry has not acted for Total Steel or any other applicant and does not consider that her former role at Baker & McKenzie prevents her from conducting the review. If you wish to make any submissions in relation to Ms Fitzhenry continuing to undertake the review, could you forward them to me as soon as practicable and no later than **7 days** from the date of this letter

Yours truly,

Luke Suitor
