Notice under section 269ZZI

**DEEP DRAWN STAINLESS STEEL SINKS**  
**exported from THE PEOPLE'S REPUBLIC OF CHINA**

The Anti-Dumping Review Panel has received applications from EVERHARD INDUSTRIES PTY LTD and MILENA AUSTRALIA PTY LTD for review of a decision by the Parliamentary Secretary to publish a dumping duty and countervailing duty notice in respect of DEEP DRAWN STAINLESS STEEL SINKS imported from THE PEOPLE'S REPUBLIC OF CHINA.

The grounds raised by the applications for the decision under review not being the correct or preferable decision include but are not limited to:

Everhard and Milena

- a) That the Parliamentary Secretary erred in her decision to declare stainless steel lipped laundry bowls "like goods" to the goods which are the subject of the notice;

Milena

- b) That there was inadequate notification and communication with affected parties by the Anti-Dumping Commission;
- c) That, if stainless steel lipped laundry bowls are "like goods", the Parliamentary Secretary erred in her decision not to declare stand-alone laundry units (fully assembled or in kits) as "like goods" also;
- d) That the Anti-Dumping Commission erred in its investigation when it did not consider additional information provided to it during the investigation;
- e) That the Parliamentary Secretary erred in determining the duty imposed on Uncooperative and Other Exporters by setting it too high;
- f) That the currency exchange rate was not properly taken into account in the investigation and in setting the duty under the notice.

The Parliamentary Secretary's decision was published in the Australian newspaper on 26 March 2015.

The goods to which these applications relate are:

Deep drawn stainless steel sinks with a single deep drawn bowl having a volume of between 7 and 70 litres (inclusive), or multiple drawn bowls having a combined volume of between 12 and 70 litres (inclusive), with or without integrated drain boards, whether finished or unfinished, regardless of type of finish, gauge, or grade of stainless steel and whether or not including accessories.

The Anti-Dumping Review Panel proposes to conduct a review of the decision. Interested parties may make submissions to the Panel within **30 days** after the date of publication of this notice.

Submissions may be emailed to [ADRP@industry.gov.au](mailto:ADRP@industry.gov.au). Submissions may also be posted to: The Anti-Dumping Review Panel, c/o ADRP Secretariat, Legal Services Branch, Department of Industry and Science, GPO Box 9839 ACT 2600 Australia.
