Dear Applicants and interested parties,

Review of the decision of the Parliamentary Secretary in relation to Steel Reinforcing Bar exported from the Republic of Korea, Singapore, Spain and Taiwan (the Review)

As the Acting Senior Member of the Anti-Dumping Review Panel, Miss Fitzhenry has specified in a written direction under s. 269ZYA of the *Customs Act 1901* that the Review Panel for the Review be constituted by her.

In the interest of transparency, Miss Fitzhenry wishes to disclose that in her former role as a partner at the law firm Baker & McKenzie, she acted for and/or advised OneSteel entities, although she cannot now recall the exact names of those entities. OneSteel Manufacturing Pty Ltd is one of the applicants in the Review.

Miss Fitzhenry has conducted previous reviews involving OneSteel entities and does not consider that the matters disclosed above constitute a conflict of interest that would prevent her from properly conducting the Review.

If you have any questions regarding this letter please do not hesitate to contact the ADRP Secretariat by email to ADRP@industry.gov.au.

Yours sincerely

Secretariat
Anti-Dumping Review Panel
