Anti-Dumping Commission
55 Collins Street
MELBOURNE VIC 3000

Dear Mr Seymour,

ROD IN COILS EXPORTED FROM REPUBLIC OF INDONESIA AND TAIWAN

The Anti-Dumping Review Panel (ADRP) has received an application from PT GUNUNG RAJAPAKSI and from ONESTEEL MANUFACTURING P/L seeking review of a decision by the Parliamentary Secretary under s.269ZZE of the *Customs Act 1901* ('Reviewable Decision'). The Reviewable Decision was a decision to publish a dumping duty notice in respect of Rod in Coils exported from the Republic of Indonesia (other than by PT Ispat Indo) and Taiwan. The Reviewable Decision was published on the 17 June 2015. Please find an electronic copy of the applications attached.

The ADRP invites the Anti-Dumping Commission (the Commission) to comment on the applications. These comments will assist the ADRP's consideration of the claims made in the application. It would be of assistance to the ADRP's initial consideration of the applications if the comments would please address the following matters, as relevant:

1. Identify any information provided with, or referred to in the application that, in the view of the Commission, is *not relevant information* as defined in s.269ZZK(6) of the *Customs Act 1901*.
2. Identify any factual claims in the application that the Commission disputes, and refer to *relevant information* in that regard.
3. Provide some commentary on the grounds of the application, referring to *relevant information*.
4. If it seems appropriate, provide any additional background information in relation the matter, including referring to any relevant policy position or guidelines which had an impact on the decision under review.

The Commission is asked to supply a confidential and a non-confidential copy of the comments. Please provide any comments by 14 September 2015 (21 days) to adrp@industry.gov.au.

If the Commission is not able to meet the specified deadline and requires further time, please contact the ADRP Secretariat on 02 6276 1781 as soon as possible.

Yours sincerely
