MELBOURNE VIC 3000

Dear Mr Seymour,

The Anti-Dumping Review Panel (ADRP) has received an application from Pacific Aluminium seeking review of a decision by the Parliamentary Secretary under s269ZZE of the Customs Act 1901. The decision was published on 3 June 2015. An electronic copy of the application is attached.

The ADRP invites the Anti-Dumping Commission (the Commission) to comment on the application. These comments will assist the ADRP's consideration of the claims made in the application.

It would be of assistance to the ADRP's initial consideration of the applications if the comments addressed the following matters, as relevant:

1. Identify any information provided with, or referred to in the application that, in the view of the Commission, is not "relevant information" as defined in s.269ZZK(6) of the Act.
2. Identify any factual claims in the application that the Commission disputes, referring to relevant information in that regard.
3. Comment on the grounds of the application, referring to relevant information.
4. If considered appropriate, provide any additional background information in relation to the application, including referring to any relevant policy position or guidelines which had an impact on the decision.

The Commission is requested to supply a confidential and a non-confidential copy of the comments. The Commission is also requested to provide any comments by 7 August 2015 to [**Adrp@industry.gov.au**](mailto:Adrp@industry.gov.au)

If the Commission is not able to meet the specified timeline and requires further time, please contact Ann Gardiner on 02 6276 1781 as soon as possible.

Yours sincerely
