# Australian Industry Participation Plan Summary - Project Phase

---

**Nominated project proponent:** MINERAL RESOURCES LIMITED

**Other project proponent(s):**

## Project details

Name: Onslow Iron Project

Location: West Pilbara Region, WA

Type: Mine or quarry

Purpose: Establish new facility

Capital expenditure: \$ 2,500,000,000

Description: The Onslow Iron Project is a green fields iron ore project. The Onslow Iron Project will be one of the largest iron ore projects undertaken in Western Australia. Located 150 kilometres east of Onslow in the West Pilbara region of Western Australia, the Project is owned via an unincorporated joint venture between Mineral Resources Limited (MinRes), Baowu, AMCI and POSCO. The manager of the Project is Onslow Iron Pty Ltd (a wholly owned subsidiary of MinRes). Stage 1 of the Project will target an annual capacity of 35Mtpa. MinRes will also provide life-of-mine mining services to the project under crushing and mine to ship agreements. MinRes will deploy its innovative and proprietary suite of mining services assets including NextGen crushers, autonomous 320 tonne jumbo road trains and 20,000 tonne transhippers. MinRes will also own 100% of the off-site infrastructure including a dedicated haul road (150 km), port infrastructure, transhipper wharfs and resort accommodation in Onslow.

Completion date: 20 Dec 2023
