* An Australian entity is an entity with an ABN or ACN

Project standards:

Australian
International

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Lisa Kirkup
Contact person position Category Manager Projects - Procurement
Phone number 0421106665
E-mail lisa.kirkup@snowyhydro.com.au

Project proponent website: <https://www.snowyhydro.com.au/hunter-power-project/>

Project opportunities website: <https://www.snowyhydro.com.au/hunter-power-project/>, ICN Gateway

Supplier engagement and communication actions :

Engage with vendor identification agencies on project opportunities and bid processes
 Issue media releases or ASX announcements on project developments and opportunities
 Develop and distribute a supplier information guide for the project
 Directly contact suppliers with information on project opportunities and bid processes
 Directly contact and invite Australian suppliers to participate in bid processes
 Snowy Hydro will favour suppliers with a strong Australian based presence, thus contacting and exposing more Australian suppliers to the project opportunities.

Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Provide market intelligence to suppliers

Global supply chain integration actions:

- Provide references for high performing suppliers

Feedback process for unsuccessful bidders:

Snowy Hydro will offer a debrief to each unsuccessful Australian entity to provide feedback and recommendation. Snowy Hydro provides constructive feedback to unsuccessful Australian bidders to recommend areas for improvement, which will assist the unsuccessful entities' responses to any future project opportunities.
