Australian Industry Participation Plan Summary - Project Phase

Nominated project proponent: The Trustee for Ulysses Bioenergy Project Trust (Jet Zero)

Project details

Name: Project Ulysses

Location: North Qld Townsville State Development Area, Colinta Road, Stuart, QLD 4811

Type: Other productive facility

Purpose: Establish new facility

Capital expenditure: \$500 million or more

Description: Project Ulysses will convert bioethanol from domestic agricultural by products into both Sustainable Aviation Fuel (SAF) and renewable diesel. The principal features and components at this point in time include 18 Air Coolers (1-20t), 1 Boiler (20MW), 12 Storage Tanks (6-8ML), 7 Columns (25-60t), 3 Gas Compressors (150-400kW), 14 Reactors (8-60t), 35 Shell and Tube Heat Exchangers (1-16t), 27 Vessels (1-21t) and a Flare. There will also be packages for Refrigeration, Plant and Instrument Air and Nitrogen, along with systems for Firefighting, Fire and Gas Detection and Water Treatment. The plant will also include facilities for Truck Loading, a Warehouse and Workshop, a Process Control Room and a number of other Prefabricated Buildings. Jet Zero appointed a FEED Contractor in April 2025 and is progressing FEED. Jet Zero's current procurement strategy is to have the FEED Contractor deliver the Engineering, Procurement, Fabrication, Construction and Commissioning of the plant. Jet Zero can confirm that any appointed procurement entities, including the EPC or Head Contractor, will be contractually bound to comply with and report against, the final approved AIP Plan. Current key milestones are: Q2 2026 - Preliminary market enquiries Q2 2026 - Target completion of FEED Q2 2026 - Target FID Q3 2026 - Target signing EPC Contract, subject to gaining FID Q3 2026 - Target EPC commencement of preliminary Subcontract awards Q3 2028 - Target construction completion

Completion date: 31 Jul 2028

Key goods and services

Indicative list of key goods and services to be acquired for the project:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
Equipment - Air Coolers	Yes	Yes	
Equipment - Boiler Package	Yes	Yes	
Equipment - Bulk Storage Tanks	Yes	Yes	
Equipment - Supply of Columns	Yes	Yes	
Equipment - Fire & Gas Detection Systems	Yes	Yes	
Equipment - Firefighting Systems	Yes	Yes	
Equipment - Flare System Package	Yes	Yes	

Equipment - Gas Compressors	Yes	Yes
Equipment - Motors	Yes	Yes
Equipment - Nitrogen Package	Yes	Yes
Equipment - Plant & Instrument Air Package	Yes	Yes
Equipment - Prefabricated Buildings	Yes	Yes
Equipment - Process Control Room Facilities	Yes	Yes
Equipment - Pumps	Yes	Yes
Equipment - Reactors	Yes	Yes
Equipment - Refrigeration Package	Yes	Yes
Equipment - Shell & Tube Heat Exchangers	Yes	Yes
Equipment - Truck Loading Facility	Yes	No
Equipment - Vessels	Yes	Yes
Equipment - Warehouse & Workshop Facilities	Yes	No
Equipment - Water Treatment Systems	Yes	Yes
Materials - Chemicals	Yes	Yes
Materials - Concrete & Re-Bar	Yes	Yes
Materials - Consumables	Yes	Yes
Materials - Control Systems	Yes	Yes
Materials - Electrical	Yes	Yes
Materials - Harmonic Filter	Yes	Yes
Materials - Instrumentation	Yes	Yes
Materials - Painting, Insulation & Fireproofing Materials	Yes	Yes
Materials - Piping Materials	Yes	Yes
Materials - Prefabricated Steel & Piping	Yes	Yes
Materials - Safety Equipment	Yes	No
Materials - Structural Steel	Yes	Yes
Materials - Valves & Fittings	Yes	Yes
Off-Site Services - Accommodation	Yes	Yes
Off-Site Services - Laboratory Analysis	Yes	No
Off-Site Services - Logistics & Transportation	Yes	Yes
Off-Site Services - Off-Site Modularisation	Yes	Yes
Off-Site Services - People Transportation	Yes	No
Off-Site Services - Storage	Yes	No
On-Site Services - Cranes & Heavy Lift	Yes	No
On-Site Services - Earthworks & Civils	Yes	No
On-Site Services - Electrical & Instrumentation Installation	Yes	No
On-Site Services - Hire Equipment	Yes	No
On-Site Services - Industrial Coating & Insulation	Yes	No
On-Site Services - Mechanical Installation	Yes	No
On-Site Services - NDT Inspection & Testing	Yes	No
On-Site Services - Painting	Yes	No
On-Site Services - Piping Installation	Yes	No
On-Site Services - Scaffolding & Access Equipment	Yes	No

On-Site Services - Structural Installation	Yes	No
On-Site Services - Surveying	Yes	No
On-Site Services - Waste Management	Yes	No

*An Australian entity is an entity with an ABN or ACN

Project standards:

International

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Dominik Pietkun
Contact person position Contracts and Procurement Manager
Phone number 0488271567
E-mail dpietkun@jetzero.com.au

Project proponent website: jetzero.com.au

Project opportunities website: projectulysses.icn.org.au

Supplier engagement and communication actions :

Promote project opportunities through industry associations
Engage with vendor identification agencies on project opportunities and bid processes
Issue media releases or ASX announcements on project developments and opportunities
Directly contact suppliers with information on project opportunities and bid processes

Building Australian industry capability

Supplier capability development actions:

Encourage joint ventures and alliances between suppliers
Support supplier development initiatives of industry associations or governments

Global supply chain integration actions:

Support suppliers to register with global supplier databases

Feedback process for unsuccessful bidders:

TEN will be contractually required to: a) provide formal notification to all unsuccessful Vendors from an expression of interest or approved bid list, which will include an opportunity for TEN to provide feedback on their submission should they wish, b) focus feedback on selection criteria and include, where relevant, any recommendations of training and/or skills, capability and capacity development, c) advise the market, either directly or through ICN Qld, on who the successful Vendors are for each scope package; and, d) work with ICN Qld to capture data in support of compliance reporting against market interest, feedback requested and feedback received.

Australian Industry Participation Plan Summary - Operations Phase

Nominated facility operator: Ulysses Bioenergy Operator Pty Ltd

Facility details

Name: Project Ulysses

Location: North Qld Townsville State Development Area, Colinta Road, Stuart, QLD 4811

Type: Other productive facility

Key goods and services

Indicative list of key goods and services to be acquired for the new facility:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
Materials - Chemicals	Yes	Yes	
Materials - Consumables	Yes	Yes	
Materials - Fuel	Yes	Yes	
Materials - Safety Equipment	Yes	No	
Materials - Spare Parts	Yes	Yes	
On-Site Services - Cleaning	Yes	No	
On-Site Services - Cranes & Heavy Lift	Yes	No	
On-Site Services - Engineering & Technical Support	Yes	Yes	
On-Site Services - Hire Equipment	Yes	No	
On-Site Services - Labour Hire	Yes	No	
On-Site Services - Logistics & Transportation	Yes	No	
On-Site Services - Plant Maintenance & Repairs	Yes	No	
On-Site Services - Plant Operations	Yes	No	
On-Site Services - Plant Upgrades	Yes	No	
On-Site Services - Security	Yes	No	
On-Site Services - Provision of Waste Management	Yes	No
