

# Australian Jobs Act 2013

AIP Plan reference code: B226VJWG

---

## Australian Industry Participation Plan Summary - Project Phase

---

**Nominated project proponent:** DP GREEN ENERGY PTY LIMITED

**Other project proponent(s):**

DP ENERGY AUSTRALIA PTY. LTD.

### Project details

Name: Callide Wind Farm

Location: Dumgree QLD 4715

Type: Electricity facility

Purpose: Establish new facility

Capital expenditure: \$500 million or more

Description: Callide Wind Farm is located in the Calliope Range, approximately 75 km west-south-west of Gladstone and 22 km north-north-east of Biloela in the Banana Shire Council LGA. The state planning approval was granted on 20 September 2023 by the State Assessment and Referral Agency (SARA) and the Environment Protection and Biodiversity Conservation (EPBC) was approved as a controlled action on 24 January 2025. The approvals include construction and operation of up to 70 wind turbines, 275/33kV site substation, battery energy storage system, 275kV switchyard, 275kV overhead export lines, 33kV underground/overhead power lines, internal roads and hardstands, meteorological masts, and ancillary infrastructure including temporary construction compounds, batch plant, laydown areas and permanent operations and maintenance facilities. The project will likely be constructed under a multi-contract structure, with potentially one or more principal contractors undertaking key packages of work as listed below: • Wind Turbine Supply and Installation including inland transportation and public roads upgrade works; • Wind Farm Balance of Plant including civil and electrical works; • Generator Connection and Access Agreement for construction of 275kV switchyard and export lines and provision of associated transmission services; • Owners' Engineer services, and; • Services Agreement with preferred contractor/s for the operation and maintenance of the wind farm. Selection of principal contractor/s is expected to begin in H2 2026 to target construction start in mid-2027. Bids will be evaluated against health, safety & environment performance, technical compliance, commercial compliance and costs. Procurement of goods & services is expected to commence from Q1/Q2 2027 following contract award and completion of design activities. Parties awarded for work packages listed above will become procurement entities for the purposes of this AIP Plan.

Completion date: 31 Dec 2029

## Key goods and services

Indicative list of key goods and services to be acquired for the project:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
BOP - Earthworks	Yes	No	
BOP - Materials Supply (road material, quarry, concrete & reinforcing)	Yes	No	
BOP - Road construction incl. dust suppression	Yes	No	
BOP - Foundation construction	Yes	No	
BOP - Construction of site facilities	Yes	No	
BOP - Geotechnical investigation	Yes	No	
BOP - Supply of primary and secondary electrical equipment for substation	Yes	Yes	
BOP - Construction of MV reticulation networks incl. supply of cables	Yes	Yes	
BOP - Electrical design works	Yes	Yes	
BOP - Construction of substation	Yes	No	
GCAA - Supply of primary and secondary electrical equipment for switchyard	Yes	Yes	
GCAA - Construction of switchyard	Yes	No	
GCAA - Construction of export lines	Yes	No	
TSA - Supply of wind turbines incl. nacelles, hubs, blades, and towers	Yes	Yes	
TSA - Shipping incl. custom clearance services	Yes	Yes	
TSA - Inland transportation	Yes	No	
TSA - Public roads upgrade work	Yes	No	
TSA - Wind turbine erection and mechanical completion services incl. plant hire	Yes	No	
Other - Owners Engineer	Yes	No	
Other - Supply of fuel, oil, and other consumables	Yes	No	
Other - Accommodation/Meals/Entertainment	Yes	No	
Other - Labour hire	Yes	No	
Other - Fencing, landscaping, rehabilitation	Yes	No	
Other - Project insurance	Yes	Yes	
Other - Principal certifier	Yes	No	

\* An Australian entity is an entity with an ABN or ACN

Project standards:

Australian  
International

## Supplier information and communication

Project proponent's contact person for supplier enquiries:

**Contact person name** Jenny Harris  
**Contact person position** Land and Office Administrator  
**Phone number** 0740912163  
**E-mail** jenny.harris@dpenergy.com

Project proponent website: <https://callidewindfarm.com.au/>

Project opportunities website:

<https://callidewindfarm.com.au/employment/>

Supplier engagement and communication actions :

- Promote project opportunities through industry associations
- Engage with vendor identification agencies on project opportunities and bid processes
- Conduct supplier information briefings on project opportunities and bid processes
- Directly contact suppliers with information on project opportunities and bid processes

## Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Provide market intelligence to suppliers

Global supply chain integration actions:

- Introduce suppliers to global supply chain partners
- Provide references for high performing suppliers

Feedback:

The project proponent will ensure that its procurement entities offer, and if requested, provide feedback to Australian entities whose bids to supply key goods or services for the project have not been successful. Feedback will include recommendations about any relevant training, skills capability and capacity development.

# Australian Industry Participation Plan Summary - Operations Phase

---

**Nominated facility operator:** DP GREEN ENERGY PTY LIMITED

**Other facility operator(s):**

DP ENERGY AUSTRALIA PTY. LTD.

## Facility details

Name: Callide Wind Farm

Location: Dumgree QLD 4715

Type: Electricity facility

## Key goods and services

Indicative list of key goods and services to be acquired for the new facility:

<b>Key goods and services</b>	<b>Opportunities for Australian entities*</b>	<b>Opportunities for non-Australian entities</b>	<b>Explanation for no opportunities for Australian entities</b>
Goods - Misc. consumables	Yes	No	
Goods - Tooling & equipment	Yes	No	
Goods - Spare parts	Yes	Yes	
Services - Operation technicians	Yes	No	
Services - Crane service (major component exchanges)	Yes	No	
Services - Blade inspection and repairs	Yes	Yes	
Services - Scheduled maintenance and emergency repair	Yes	Yes
