

## Australian Jobs Act 2013

AIP Plan reference code: 2VGKPH7P

---

# Australian Industry Participation Plan Summary - Project Phase

---

**Nominated project proponent:** LOTUS CREEK WIND FARM PTY LTD

## Project details

Name: Lotus Creek Wind Farm

Location: About 20km west of St Lawrence in central Queensland

Type: Electricity facility

Purpose: Establish new facility

Capital expenditure: \$500 million or more

Description: The project includes up to 55 wind turbine generators and associated infrastructure (including access tracks, underground and overhead powerlines, an electricity substation and operations and maintenance facilities). As of August 2022 the project is in the final stages of securing its planning and environmental approvals, with the State Assessment and Referral Agency of QLD, and the Commonwealth Department of Climate Change, Energy the Environment and Water, respectively. Once these approvals are in place the project is expected to commence preliminary engineering design enabling procurement processes to commence.

Completion date: 07 Dec 2027

## Key goods and services

Indicative list of key goods and services to be acquired for the project:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
supply and installation of wind turbine generators	Yes	Yes	
supply and installation of steel towers for wind turbine generators	Yes	Yes	
civil engineering design services	Yes	Yes	
site preparation, earth moving, track formation including cable trenching	Yes	Yes	
excavation, preparation, formwork and steelwork and pouring turbine footings	Yes	Yes	
operations and maintenance buildings and footings for transformers switchgear	Yes	Yes	
electrical engineering design services	Yes	Yes	
LV cable design and installation	Yes	Yes	
HV cable and powerlines design and installation	Yes	Yes	
substations and switchyards	Yes	Yes	

\* An Australian entity is an entity with an ABN or ACN

Project standards:

Australian  
International

## Supplier information and communication

Project proponent's contact person for supplier enquiries:

**Contact person name** Akchhara Chharom  
**Contact person position** Project Manager  
**Phone number** 0459392938  
**E-mail** ach@bluepp.dk

Project proponent website: [www.lotuscreekwindfarm.com.au](http://www.lotuscreekwindfarm.com.au)

Project opportunities website:

[www.lotuscreekwindfarm.com.au](http://www.lotuscreekwindfarm.com.au)

Supplier engagement and communication actions :

Promote project opportunities through industry associations  
Engage with vendor identification agencies on project opportunities and bid processes  
Conduct supplier information briefings on project opportunities and bid processes  
Issue media releases or ASX announcements on project developments and opportunities

## Building Australian industry capability

### Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Encourage joint ventures and alliances between suppliers

### Global supply chain integration actions:

- Introduce suppliers to global supply chain partners
- Provide references for high performing suppliers

### Feedback:

The project proponent will ensure that its procurement entities offer, and if requested, provide feedback to Australian entities whose bids to supply key goods or services for the project have not been successful. Feedback will include recommendations about any relevant training, skills capability and capacity development.

# Australian Industry Participation Plan Summary - Operations Phase

---

**Nominated facility operator:** LOTUS CREEK WIND FARM PTY LTD

## Facility details

Name: Lotus Creek Wind Farm

Location: About 20km west of St Lawrence in central Queensland

Type: Electricity facility

## Key goods and services

Indicative list of key goods and services to be acquired for the new facility:

<b>Key goods and services</b>	<b>Opportunities for Australian entities*</b>	<b>Opportunities for non-Australian entities</b>	<b>Explanation for no opportunities for Australian entities</b>
ongoing civil maintenance	Yes	No	
maintenance of wind turbine generators	Yes	Yes	
supply of ancillary goods and services eg	Yes	Yes	
personnel support services	Yes	Yes	
general operations and maintenance services	Yes	No	

\*An Australian entity is an entity with an ABN or ACN

Facility standards:

- Australian
- International

## Supplier information and communication

Facility operator's contact person for supplier enquiries:

**Contact person name** Akchhara Chharom  
**Contact person position** Project Manager  
**Phone number** 0459392938  
**E-mail** ach@bluepp.dk

Facility operator website: [www.lotuscreekwindfarm.com.au](http://www.lotuscreekwindfarm.com.au)

Facility opportunities website: Project information is updated from time to time on the project websites - <https://epuron.com.au/wind/lotus-creek/> and [www.lotuscreekwindfarm.com.au](http://www.lotuscreekwindfarm.com.au). When the procurement entity is known the website will be updated with procurement information.

Supplier engagement and communication actions :

- Promote project opportunities through industry associations
- Engage with vendor identification agencies on project opportunities and bid processes
- Conduct supplier information briefings on project opportunities and bid processes
- Issue media releases or ASX announcements on project developments and opportunities

## Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Encourage joint ventures and alliances between suppliers

Global supply chain integration actions:

- Introduce suppliers to global supply chain partners
- Provide references for high performing suppliers

Feedback:

The project proponent will ensure that its procurement entities offer, and if requested, provide feedback to Australian entities whose bids to supply key goods or services for the project have not been successful. Feedback will include recommendations about any relevant training, skills capability and capacity development.
