

Australian Jobs Act 2013

AIP Plan reference code: RJ85FQ57

Australian Industry Participation Plan Summary - Project Phase

Nominated project proponent: BCS Project Co. Pty Ltd as trustee for BCS Project Trust

Project details

Name: Bulli Creek Solar Project – Stage 1

Location: Bulli Creek, Queensland

Type: Electricity facility

Purpose: Establish new facility

Capital expenditure: \$500 million - \$1 billion

Description: The Bulli Creek Stage 1 Solar Project (BCS-1 or the Project) is an up to 775MWac solar photovoltaic (PV) project located 4km from the Powerlink Queensland Bulli Creek 330kV substation, approximately 150kms SW of Toowoomba. The site comprises a substation, solar panel array, internal access tracks and corridor for a 330kV powerline. Procurement is expected to commence following Financial Close (FC) of the Project in Q4 CY2024 with construction to commence in early Q1 2025. Construction is expected to take approximately 30 months with the Project commissioning expected to commence in early 2027. Genex has selected PCL Construction (the Contractor) as the preferred Engineering, Procurement and Construction (EPC) contractor for the Project. PCL will be responsible for all procurement associated with the Project with major procurement for the Project only commencing after Notice to Proceed (NTP) has been issued, following FC.

Completion date: 27 Jan 2027

Key goods and services

Indicative list of key goods and services to be acquired for the project:

Key goods and services	Opportunities for Australian entities*	Opportunities for non-Australian entities	Explanation for no opportunities for Australian entities
Electricals	Yes	No	
Site amenities	Yes	No	
Concrete	Yes	No	
Trackers	Yes	No	
Piles	Yes	No	
Trenching	Yes	No	
Earthworks	Yes	No	
Roading	Yes	No	
Labour hire	Yes	No	
Security	Yes	No	
Inverters	Yes	No	
Modules	Yes	Yes	
Fencing	Yes	No	
Landscaping	Yes	No	

* An Australian entity is an entity with an ABN or ACN

Project standards:

International

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Amy Crowley
Contact person position Project Manager
Phone number 0497831987
E-mail ac@genexpower.com.au

Project proponent website: <https://genexpower.com.au/bulli-creek-clean-energy-project/>

Project opportunities website:

<https://genexpower.com.au/bulli-creek-clean-energy-project/>

Supplier engagement and communication actions :

Promote project opportunities through industry associations
Issue media releases or ASX announcements on project developments and opportunities
Develop and distribute a supplier information guide for the project
Directly contact suppliers with information on project opportunities and bid processes

Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Provide market intelligence to suppliers

Global supply chain integration actions:

- Introduce suppliers to global supply chain partners
- Facilitate strategic partnering and joint ventures between Australian and international suppliers
- Provide references for high performing suppliers

Feedback:

The project proponent will ensure that its procurement entities offer, and if requested, provide feedback to Australian entities whose bids to supply key goods or services for the project have not been successful. Feedback will include recommendations about any relevant training, skills capability and capacity development.
