| Turbine Blades | Yes | Yes | |
| Turbine Towers | Yes | Yes | |
| Cabling HV/LV | Yes | Yes | |
| Turbine onshore transportation | Yes | No | |
| Power Conversion System | Yes | Yes | |
| PCS Onshore Transportation | Yes | Yes | |
| PCS Installation | Yes | No | |
| EPC/ Commissioning - Project Management | Yes | No | |
| Substation HV Equipment Supply | Yes | Yes | |
| Substation - MV Equipment Supply | Yes | Yes | |
| Electrical Works - Installation/ Commissioning | Yes | No | |
| Civil Works | Yes | No | |
| SCADA - Communications and Security System | Yes | No | |
| SCADA - Communications and Security System | Yes | Yes | |
| Temporary Facilities and Services | Yes | No | |
| Transformers | Yes | No | |
| Inverters | No | Yes | There are no inverter manufacturers currently based in Australia |

*An Australian entity is an entity with an ABN or ACN

Project standards:

- Australian
- International

Supplier information and communication

Project proponent's contact person for supplier enquiries:

Contact person name Heather Grasby
Contact person position Commercial Manager
Phone number 0466082071
E-mail heather.grasby@atmosrenewables.com.au

Project proponent website: <https://www.parronwindfarm.com.au>

Project opportunities website:

<https://www.parronwindfarm.com.au/contact-us>

Supplier engagement and communication actions :

- Promote project opportunities through industry associations
- Engage with vendor identification agencies on project opportunities and bid processes
- Conduct supplier information briefings on project opportunities and bid processes
- Issue media releases or ASX announcements on project developments and opportunities
- Develop and distribute a supplier information guide for the project
- Directly contact suppliers with information on project opportunities and bid processes

Building Australian industry capability

Supplier capability development actions:

- Recommend suppliers undertake training and/or accreditation
- Provide market intelligence to suppliers

Global supply chain integration actions:

- Introduce suppliers to global supply chain partners
- Provide references for high performing suppliers

Feedback:

The project proponent will ensure that its procurement entities offer, and if requested, provide feedback to Australian entities whose bids to supply key goods or services for the project have not been successful. Feedback will include recommendations about any relevant training, skills capability and capacity development.
