Australian Industry Participation Plan Summary – Project Phase

Nominated project proponent:

CUBICO WAMBO PROJECT CO PTY LTD

Project details

Project name:

Wambo Wind Farm Stage 1

Location:

Jandowae, Queensland

Type:

Electricity facility

Purpose:

Establish new facility

Capital expenditure:

\$500 million - \$1 billion

Capital expenditure:

☒ Confirm the total project estimated capital expenditure value will be \$500 million or more

Description:

The project is located approximately 20km to the east of Jandowae, in the Western Downs region of Queensland. It is wind power project consisting of 42 wind turbine generators and associated infrastructure (including access tracks, underground and overhead powerlines, electricity substation and, operations and maintenance facilities). The project will connect to a newly constructed 275kV powerline connecting to the Halys substation in the Powerlink network. The project will be constructed by way of an EPC contract.

Estimated completion date:

14/10/2025

Key goods and services

Indicative list of key goods and services to be acquired for the project:

List of key goods and services:

An Australian entity is an entity with an ABN or CAN.

Key goods and services	Opportunity for entities	Explanation for no opportunities for Australian entities
Supply and installation of wind turbine generators	Opportunities for Australian entities	
Site preparation, earth moving, track formation, including cable trenching excavation, preparation, steelwork, pouring turbine footings	Opportunities for Australian entities	
Operations and maintenance buildings and footings for transformers switchgear	Opportunities for Australian entities	
electrical engineering design services	Opportunities for Australian entities	
LV cable design and installation	Opportunities for Australian entities	
HV cable and powerline design and installation	Opportunities for Australian entities	
Substations and switchyards	Opportunities for Australian entities	
Supply and installation of steel towers for wind turbine generators	Opportunities for Australian entities	
Civil engineering design services	Opportunities for Australian entities	

Project standards:

Australian
