

# Australian Industry Participation (AIP) plan Summary - Operations Phase

## 1. Project Details

**Designated operator:** Yorke Peninsula Wind Farm Project Pty Ltd (Yorke Peninsula)

**Description of the facility:** The Ceres Wind Farm Project (CWFP) is a new renewable energy project designed to generate 600MW of clean electricity via wind power.

**Facility location:** 20 kilometres south-west of Ardrossan, Yorke Peninsula, South Australia

**Link to facility information:** <http://www.theceresproject.com.au>

**Operator contact for procurement information:** Travis Neal, Ph: +61 3 8660 6506

**Other operators involved in the facility:** TBC

## 2. Opportunities to supply Goods and Services

Expected opportunities	Opportunities for Australian entities	Opportunities for non-Australian entities
<b>Goods</b>		
TBC	TBC	TBC
<b>Services</b>		
Wind turbine scheduled and unscheduled service	YES	YES
Balance of plant scheduled service (road, substations, etc)	YES	YES
Wind farm operations	YES	YES

Disclaimer: The information provided in the table above is based on an initial assessment by the company. Any questions or issues should be raised with the facility contact.

## 3 Standards to be used in the facility

- Australian or international standards will be required to be used for the supply of goods and services in line with those required in the construction phase.

## 4. AIP activities undertaken by the Operator

- Yorke Peninsula will create a publicly available website for the CWFP that will provide details on the CWFP, communicate opportunities, supplier information, and standards, and provide a mechanism for potential suppliers to submit interest.
- Media releases / statements will be published on the CWFP website.
- Along with its procurement entities (if any), Yorke Peninsula will make direct contact with Australian industry inviting tender responses.

## **5. AIP activities to be undertaken by procurement entities**

- Procurement entities will be contractually obligated to act in accordance with the AIP Plan and to report on AIP Plan outcomes.
- It is expected that Yorke Peninsula will be the procurement entity in this phase, and therefore the actions at Item 4 above will be undertaken.
