TRADE REMEDIES NOTICE NO 2026/156

Review of Measures No 667 in relation to Aluminium Extrusions

Exported from Malaysia by PMB Aluminium Sdn. Bhd.

Extension of time granted to issue the Statement of Essential Facts and Final Report

Customs Act 1901 – Part XVB

The Commissioner of the Australian Trade Remedies Commission (the Commissioner) has extended the due date to publish the Statement of Essential Facts (SEF) and provide the final report and recommendation to the Minister for Industry and Innovation and Minister for Science (the Minister) about the above case.[1]

New milestone dates

SEF – The SEF is now due to be placed on the public record on, or before, **24 February 2027**.

Response to SEF – Interested parties are invited to make submissions in response to the SEF within 20 days of the SEF being placed on the public record.

Final Report – A recommendation to the Minister will be made in a final report which is now due on, or before, **22 April 2027**.

The previous due date for the SEF was 11 November 2026. The previous due date for the final report was 9 February 2027.

[1] The Commissioner does so under section 269ZHI(3) of the *Customs Act 1901*. On 19 January 2017, the Parliamentary Secretary to the Minister for Industry, Innovation and Science delegated the powers and functions of the Minister under section 269ZHI of the Act to the Commissioner. See Anti-Dumping Notice 2017/10 for further information.

Basis for extension

I, Mayuran Jeyarajah, am the Acting Deputy Commissioner Investigations, Australian Trade Remedies Commission (the Commission). I requested the extension of the due date to publish the SEF and to provide the final report and recommendation to the Minister.

I requested the extension because additional time is required to complete verification activities and analyse further information and submissions from stakeholders, having regard to the complexity of the case and operational requirements.
