Think B4U Print:

1 ream of paper = 6% of a tree and 5.4 kg CO2 in the atmosphere;
3 sheets of A4 paper = 1 litre of water

Subject: Application for permission to Suspend

Good morning Dominic,

We have just cemented the casing on Montara GI ST-1 and will be ready to commence suspension operations in a couple of hours. I was just seeing how the approval to suspend was progressing and if it would be possible to get a "verbal" approval to suspend this morning.

I look forward to hearing from you soon.

Regards

Chris
