

NATIONAL STANDARDS COMMISSION

CERTIFICATE OF APPROVAL No 6/10A/100

Approved: Carl Schenck Weighbridge

This is to certify that the pattern and variants of the abovementioned instrument have been approved under the Weights and Measures (Patterns of Instruments) Regulations as being suitable for use for trade when converted to read in metric units in accordance with Appendix 8 of the General Specifications for Measuring Instruments to be Used for Trade.

Date of Approval: 22 February 1974

Description of Pattern:

The pattern is of a non-self-indicating weighing instrument which comprises a basework with two Y-shaped main levers, connected through a number of transfer levers to a full-capacity ticket-printing steelyard.

The pattern and variants may be identified by reference to Victorian Notice of Approval No 194.

Conditions of Approval:

1. This approval is subject to review on or after 31 December 1975 to determine the extent to which the pattern may need to be modified to comply with the Commission's pattern approval requirements at the date of review.
2. All instruments conforming to variants in accordance with this approval shall be marked "NSC No 6/10A/100".
