

NATIONAL STANDARDS COMMISSION

CERTIFICATE OF APPROVAL No 6/10A/102

Approved: Toleberk Weighbridge

This is to certify that the pattern of the abovementioned weighing instrument has been approved under the Weights and Measures (Patterns of Instruments) Regulations as being suitable for use for trade when converted to read in metric units in accordance with Appendix 8 of the General Specifications for Measuring Instruments to be Used for Trade.

Date of Approval: 22 February 1974

Description of Pattern:

The pattern is of a non-self-indicating weighing instrument which comprises a basework with two Y-shaped main levers, connected through a transfer lever and an intermediate lever to a full-capacity steelyard.

The pattern may be identified by reference to Victorian Notice of Approval No 500.

Conditions of Approval:

1. This approval is subject to review on or after 31 December 1975 to determine the extent to which the pattern may need to be modified to comply with the Commission's pattern approval requirements at the date of review.
2. All instruments conforming to the variant in accordance with this approval shall be marked "NSC No 6/10A/102".
