## NATIONAL STANDARDS COMMISSION

CERTIFICATE OF APPROVAL No 6/2/107

Approved: Griffin Minor Beam-scale

This is to certify that the pattern and variants of the Griffin Minor Beam-scale, approved under the belowmentioned State approvals, have been approved under the Weights and Measures (Patterns of Instruments) Regulations as being suitable for use for trade.

Date of Approval: 26 July 1974

Description of Pattern:

The pattern and variants are graduated in metric units, and may be identified by reference to the following approval numbers:

|                   |     |                                      |
|-------------------|-----|--------------------------------------|
| New South Wales   | ... | Supplementary Approval Nos 214, 214A |
| Victoria          | ... | Approval Nos 257, 486                |
| Western Australia | ... | Approval No 70                       |

A typical instrument is shown in Figure 1.

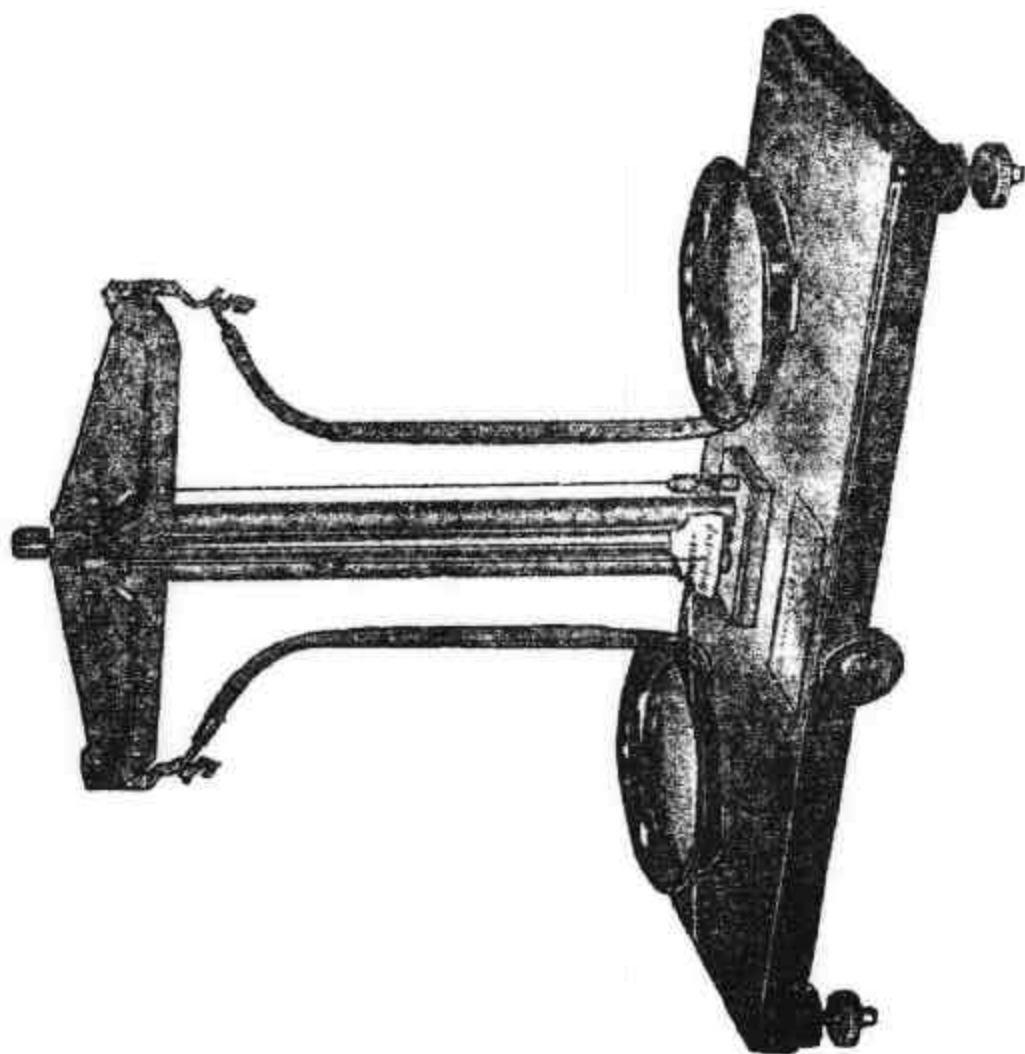

Conditions of Approval:

1. This approval is subject to review on or after 31 December 1975 to determine the extent to which the pattern and variants may need to be modified to comply with the Commission's pattern approval requirements at the date of review.
2. All instruments conforming to this approval shall be marked "NSC No 6/2/107".

Signed

Executive Officer
