

NATIONAL STANDARDS COMMISSION

CERTIFICATE OF APPROVAL No 6/9C/145

Approved: Stathmos Self-indicating Weighing Machine Type 507

This is to certify that the pattern and variants of the abovementioned instrument have been approved under the Weights and Measures (Patterns of Instruments) Regulations as being suitable for use for trade when converted to read in metric units in accordance with Appendix 8 of the General Specifications for Measuring Instruments to be Used for Trade.

Date of Approval: 16 September 1974

Description of Pattern:

The pattern and variants may be identified by reference to Figure 1 or to an instrument marked with the model number 507 and bearing a current verification stamp.

A typical instrument is shown in Figure 1.

Conditions of Approval:

1. This approval is subject to review on or after 31 December 1975 to determine the extent to which the pattern and variants may need to be modified to comply with the Commission's pattern approval requirements at the date of review.
2. All instruments conforming to this approval shall be marked "NSC No 6/9C/145".

Signed

Executive Officer
