

# NATIONAL STANDARDS COMMISSION

## WEIGHTS & MEASURES (PATTERNS OF INSTRUMENTS) REGULATIONS

### REGULATION 9

#### PROVISIONAL SUPPLEMENTARY CERTIFICATE OF APPROVAL No PS124

This is to certify that an approval has been granted by the Commission that the pattern of the

Screwthreads Model 381 Driveway Flowmeter Nozzle

submitted by Screwthreads Pty Ltd,  
17 Paran Place,  
Glen Iris, Melbourne, 3146,

is suitable for use for trade when replacing the driveway flowmeter nozzle in any Commission-approved driveway flowmeter.

The approval is subject to review on or after 1/8/82.

All instruments modified with a nozzle purporting to comply with this approval shall be marked NSC No PS124 on the nameplate of the driveway flowmeter in addition to the approval numbers of the unmodified pattern.

Relevant drawings and specifications are lodged with the Commission.

#### Conditions of Approval

1. The application of this approval is limited to those driveway flowmeters installed at the stations listed in Table 1.
2. The Commission reserves the right to inspect any installation covered by this provisional approval, without notice.
3. In the event of unsatisfactory performance, the approval may be cancelled.
4. A production nozzle is to be supplied to the Commission for further testing.

Signed

Executive Director

#### Descriptive Advice

Pattern: approved 20/8/81

Screwthreads Model 381 driveway flowmeter nozzle.

Technical Schedule PS124 dated 18/9/81 describes the pattern.

# NATIONAL STANDARDS COMMISSION

## CANCELLATION CERTIFICATE OF APPROVAL No PS124

This is to certify that the approval for use for trade granted in respect of the pattern of the

Screwthreads Model 381 Driveway Flowmeter Nozzle

submitted by Screwthreads Pty Ltd  
17 Paran Place  
Glen Iris Vic 3146

has been cancelled in respect of new instruments as from 31/3/86.

Instruments which were verified before that date may, with the concurrence of the respective State or Territorial Weights and Measures Authority, be submitted for reverification.

Signed

Acting Executive Director
